DESIGN

This sleek and compact laptop bag is thoughtfully designed with eco-conscious materials, crafted from durable fabric made from recycled plastic. It offers a perfect fit for Laptops & MacBooks, making it an ideal choice for those who prioritize both style and sustainability.

The bag features a spacious central compartment with a padded interior pocket to protect your laptop from bumps and scratches. The front exterior includes a well-organized pocket with a secure zipper closure, perfect for storing smaller essentials like your phone, chargers, and other accessories, ensuring quick and easy access.

For added convenience, the bag is equipped with a sturdy trolley attachment strap, allowing you to easily slide it onto your luggage for hassle-free travel. The non-removable shoulder strap provides comfort during longer commutes, while the compact design makes it lightweight and easy to carry.

Additionally, an internal mesh pocket keeps your accessories neatly organized, ensuring your cables, pens, and other items remain secure and accessible. Whether you're traveling or commuting daily, this eco-friendly laptop bag offers a perfect blend of style, practicality, and sustainability.
